18.2 Condition of the Equipment

18.2.1 If you return any part of the Equipment in a different condition than described in clause 18.1 for whatever reason, you are liable to us for (a) the full costs, expenses and repairs that we deem necessary or desirable; and/or (b) the full costs of replacing the Equipment if we believe that repairs would not be feasible or cost-effective; and (c) the loss of rental prices for the Equipment during the period that (i) the Equipment is out of use; and/or (ii) repairs are being performed.

18.2.2 In the event that the Equipment is not returned to us within five (5) Business Days of the later of the end of the Rental Period or our request, a Total Loss shall be deemed to have taken place with respect to the Equipment and you shall be immediately liable to pay us for the full replacement value of the Equipment.

18.3 Return letter

Upon expiry of the Rental Period, at the time of returning the Equipment to the location of Greener, you may request a return letter prepared by us confirming the prima facie condition of the Equipment. This return letter will be sent to you. You can respond to us within five (5) Business days if you do not agree with the content of the return letter. If you do not respond within five (5) Business days, the contents of the return letter as drawn up by us will be considered final and accepted by you.

18.4 Delayed return

If you do not decommission or return the Equipment, or decommission or return (any

part of) the Equipment with delay, for any reason whatsoever (regardless of whether negligence or other errors on the part of you or its employees, co-workers or agents are involved), you are liable for (a) the full costs of replacing the Equipment; and (b) Greener's loss for rental prices or other monetary losses until full return of the Equipment has taken place.

19. INSURANCE

19.1 Responsible for insurance

- 19.1.1 The risk of loss, theft, damage or destruction of the Equipment and any legal liabilities to third parties arising from the operation of, or in connection with, the Equipment shall pass to you on delivery. The Equipment shall remain at your sole risk during the Rental Period and any further term during which the Equipment is in your possession, custody or control (the **Risk Period**), until such time as the Equipment is redelivered to us.
